

FCC MAIL SECTION

FEB 23 8 54 AM '98

Before the  
Federal Communications Commission  
Washington, D.C. 20554

In the Matter of

Amendment of Section 73.202(b),  
Table of Allotments,  
FM Broadcast Stations.  
(Smith Mills, Kentucky)

MM Docket No. 98-19  
RM-9219

NOTICE OF PROPOSED RULE MAKING

Adopted: February 11, 1998;

Released: February 20, 1998

Comment Date: April 13, 1998

Reply Comment Date: April 28, 1998

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Henry G. Lackey ("petitioner"), proposing the allotment of Channel 233A at Smith Mills, Kentucky, as the community's first local aural transmission service. Petitioner states his intention to apply for the channel, if allotted.

2. In support of his proposal, petitioner states that Smith Mills is a community with an estimated population of 450 persons (1997 Rand McNally Road Atlas). Petitioner further states that Smith Mills is a geographically identifiable population grouping and its residents regard themselves as a distinct group. It has its own zip code and post office, as well as a police department and a volunteer fire department. In addition, Smith Mills has many civic organizations and commercial businesses, including several that incorporate "Smith Mills" in their name. Some examples are: Smith Mills Volunteer Fire Department, Smith Mills Cemetery, Smith Mills Lions Club, Smith Mills Lioness Club, Shelly's Green House, The Store, and Country Cafe. Smith Mills also has a Baptist and a Methodist Church.

3. We believe the proposal warrants consideration since the allotment of Channel 233A at Smith Mills, Kentucky, could provide the community with its first local aural transmission service. An engineering analysis has determined that Channel 233A can be allotted to Smith

Mills in compliance with the Commission's minimum distance separation requirements with a site restriction of 14.2 kilometers (8.9 miles) west to avoid a short-spacing to the licensed site of Station WTRI-FM, Channel 235B, Mount Carmel, Illinois.<sup>1</sup>

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Smith Mills, Kentucky	----	233A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before April 13, 1998, and reply comments on or before April 28, 1998, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, his counsel or consultant, as follows:

Patricia M. Chuh  
Pepper & Corazzini, L.L.P.  
1176 K Street, N.W, Suite 200  
Washington, D.C. 20006  
(Counsel for Petitioner)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Sharon P. McDonald,

---

<sup>1</sup>The coordinates for Channel 233A at Smith Mills are North Latitude 37-47-26 and West Longitude 87-55-23.

Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

FEDERAL COMMUNICATIONS COMMISSION

John A. Karousos  
Chief, Allocations Branch  
Policy and Rules Division  
Mass Media Bureau

Attachment: Appendix

## APPENDIX

1. Pursuant to authority found in Sections 4(i), 5(c)(1), 303(g) and (r), and 307(b) of the Communications Act of 1934, as amended, and Sections 0.61, 0.204(b) and 0.283 of the Commission's Rules, IT IS PROPOSED TO AMEND the FM Table of Allotments, Section 73.202(b) of the Commission's Rules and Regulations, as set forth in the Notice of Proposed Rule Making to which this Appendix is attached.

2. Showings Required. Comments are invited on the proposal(s) discussed in the Notice of Proposed Rule Making to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules).

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached. All submissions by parties to this proceeding or by persons acting on behalf of such parties must be made in written comments, reply comments, or other appropriate pleadings. Comments shall be served on the petitioner by the person filing the comments. Reply comments shall be served on the person(s) who filed comments to which the reply is directed. Such comments and reply comments shall be

accompanied by a certificate of service. (See Section 1.420(a), (b) and (c) of the Commission's Rules.) Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.

5. Number of Copies. In accordance with the provisions of Section 1.420 of the Commission's Rules and Regulations, an original and four copies of all comments, reply comments, pleadings, briefs, or other documents shall be furnished the Commission.

6. Public Inspection of Filings. All filings made in this proceeding will be available for examination by interested parties during regular business hours in the Commission's Reference Center (Room 239) at its headquarters, 1919 M Street, N.W., Washington, D.C.
